Acces PDF 4a Engine Timing Marks

have an aw11 4age and i'm using a ae82 distributor. I'm trying to set the timing up after having the dissy out and a new belt put on. I'm pretty sure the belt is on correct.all marks line up fine with the cam's and on the crank gear behind the crank pulley. The engine is definately at TDC when it's all aligned.

Setting Timing on
