The Recorder - Postcard collectors enjoy thrill of the ...

Deltiology is the official term for collecting (and studying) postcards. The third largest hobby after collecting stamps and money, collecting postcards can be a very rewarding pastime that can be as broad or as narrow as you'd like, and can be undertaken absolutely anywhere in the world. Even Queen Victoria is thought to have had her own postcard collection, so it's certainly a hobby that has both pedigree and time behind it.

How to Collect Postcards: 10 Steps (with Pictures) - wikiHow

Postcards aren't something we always pause to consider, but for photographers (like myself), they can be an incredibly valuable resource. For some, postcards are all about collecting memories — places you've been or places your loved ones have sent cards from. And in this, there is a lot of artistic inspiration to be had.
