We turn housing into homes We are a small group of dedicated volunteers who pick up and distribute used household items to women in transition, single moms and dads on income assistance, new immigrant families, refugees and needy families in our community. We work with over 85 community, government and charitable organizations to directly help more than 1,300 families each year.

Helping Families in Need Society - Helping Families

Some of the most important basic needs of the family are housing, good food, affection or protection. The family is considered the basic nucleus of society. It is the basic unit of development and experience of the members of a group, as well as of accomplishment and failure. No person can live in isolation. During the first years of life, the socialization of a person occurs almost exclusively with the members of the family.
