Does anybody have a good vacuum line diagram for the A/C and Heater control under the dash? I have a leak somewhere and the flapper doors don't work properly! How does the violet line coming off ...

### A/C And Heater control vacuum lines under dash | El Camino ...

The A/C control head would supply the heater valve with vacuum when the heater was not turned on and cut the vacuum to the valve when the heater is turned on. The other line supplies the control head with the vacuum to control the heater valve and the DEF/AIR/Heat valves. I may be way off for yours since the difference in years but I think it's ...

### Where does the vacuum line connect with the controls in ...

The vac. line down by the heater valve loops around and feeds off the heater control. the vac line that supplys vac. to the htr. control is in with the wiring from the ecm and is in the big wire bundle that goes into the cockpit behind the left head it is about 1/8 inch hard black plastic line as far as the check valve I got one from the bone yard there are all kinda sizes I got a small in ...

Can anybody tell me where the vacuum lines for the heater control valve plug into (inside the car.) I have no vacuum at the end that connects to the valve. I also don't hear the hissing noise when I move the selector switch from the A/C over to the Vent/Defrost side. So I'm assuming that I probably don't even have vacuum at the selector switch.

### Heater Control Valve vacuum lines? - Forums - Official C3 ...

I am new to this forum. I have a 2003 Expedition 4.6 and after rebuilding the engine I have a vacuum line that is no longer attached coming from the heater control valve. Would like to know where it terminates. I think it goes through the firewall but really am struggling to figure out where. I have seen a few vacuum diagrams but they lead me ...
