Hello and welcome to my website. Most of the content on here currently relates to Accounts Demystified - The Astonishingly Simple Guide to Accounting, which you can find here.. Over the next year or so, however, I plan to add various things, some of which may be of interest to some people.

### Anthony Rice - Anthony Rice

While it can be both of these things, accounting is actually based on an incredibly simple principle that was devised more than 500 years ago and has remained unchanged ever since. The apparent complexity of many companies' accounts results from the rules and terminology that have developed around this fundamental principle to accommodate modern
