Women serving in combat roles is no exception: implementation and standards should be addressed, but the policy aim is right. Last month, Heather Mac Donald’s Wall Street Journal op-ed argued that “women don’t belong in combat units.” In it, Mac Donald makes four main claims: first, that women are physiologically incapable of handling combat; second, that women cannot meet physical ...

A war poet is a poet who participates in a war and writes about their experiences, or a non-combatant who writes poems about war. While the term is applied especially to those who served during the First World War, the term can be applied to a poet of any nationality writing about any war, including Homer's Iliad, from around the 8th century BC as well as poetry of the American Civil War, the ...
