If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

for FTTH, FTTC or FTTx digital homes, packs in more features and performance capabilities than any other fiber router on the market.

### **MI424WR Rev. E - Wireless Broadband Router for Verizon ...**

The MI424WR Rev. I does not support Transparent-Bridging, and neither Frontier, Verizon nor Actiontec support attempting to bridge it. Requests to bridge the MI424WR are often based on a misunderstanding that it is both a router and a modem, it is not. (Actiontec does produce DSL Gateways that support Transparent-Bridging).
