Very happy with the Holt Environmental Science Text Book and it's accompanying work book (we bought both separately). We used this as a High School Enviromental Science Curriculum with our home-schooled teen children. I recommend using both the text and workbook in conjunction with each other (sold separately).

Holt Environmental Science: Active Reading Workbook: HOLT ...

There is an enormous amount of information on the Internet about environmental science that include text, graphics and videos. Use the search engines. If you truly "just dont get it," consider the possibility that you aren't cut out for home schooling and should be in public school where you have a teacher to explain material you don't understand.
