Amnesia Peter Carey

Amnesia by Peter Carey was not quite what I expected from the blurb, it was so much better. Rather than simply telling us the story of how an Australian hacker ‘Fallen Angel’/Gaby Baillieux hacked Australian prison systems to release detainees, Carey delves deep into Gaby’s and Australia’s political history to explain why a girl from Melbourne would decide to become a ‘hacktivist’ in the first place.

Amnesia by Peter Carey - Goodreads

Two Time Booker Prize winner Peter Carey brings together the world of cyber hackers and radicals with the denied history of the United States, the CIA, and its relationship with its friend and client, Australia. Amnesia is Carey at his best, dark, funny, profound and unforgettable. Comments are closed.

AMNESIA | Peter Carey

‘Amnesia’ is a difficult book to put together that makes sense. The first third of the novel sounded promising like most of the Carey novels I have read. I am a Peter Carey fan, and understand most of his Australian words and terms. However, the middle third of this novel is a mish-mash, that does not hang together.

Amnesia (Vintage International): Carey, Peter ...

Amnesia is a 2014 novel by Australian author Peter Carey.

Amnesia (Carey novel) - Wikipedia

About Amnesia. In this dark, suspenseful, and seriously funny novel, two-time Booker winner Peter Carey takes us to the place where the cyber underworld collides with international politics. When Gaby Baillieux, Australia’s most formidable hacker, releases the Angel Worm virus into her country’s prison system, cell doors are opened and inmates walk free.

Amnesia by Peter Carey: Review | The Star

Peter Philip Carey AO (born 7 May 1943) is an Australian novelist. Carey has won the Miles Franklin Award three times and is frequently named as Australia's next contender for the Nobel Prize in Literature. Carey is one of only five writers to have won the Booker Prize twice—the others being J. G. Farrell, J. M. Coetzee, Hilary Mantel and Margaret Atwood.

Peter Carey (novelist) - Wikipedia

That's Felix Moore, the leftist Australian journalist and slumping, drunken mess of a hero at the center of Peter Carey's new novel, Amnesia. We find him at the start of things sitting in court,...

Book Review: 'Amnesia,' By Peter Carey : NPR

["Writing the biography of a cyber criminal who released a virus into Australia's prison system and allowed hundreds of asylum seekers and prisoners to escape, left-wing journalist Felix Moore struggles to convey the hacker's intentions as a political protest against Australia's relationship with the United States. Includes reading-group guide". ""From the two-time Booker Prize winner: a ...

Amnesia, Peter Carey

In Amnesia, Peter Carey blends a story of young Australian hackers with a powerful overlay of socialist politics. The result could have been outstanding, if only it weren't so difficult to read. Amnesia is written in an elliptical style that's clearly not intended to make things easy for the reader, and that's only the beginning of the confusion.

Peter Carey’s 13th novel, Amnesia, is at once rich with promise yet maddeningly elusive, like a page of computer code that only occasionally resolves into English. Its story is fascinating and...

Amnesia by Peter Carey, review: 'fascinating and confusing ...

Much of Amnesia, however, works in another, slightly less comfortable register. Like many of Carey’s novels, it never stops reminding us of the unsteadiness of the narrative ground under our feet: there is, as usual, more than one storyteller lurking in the wings, and the relationship between historical fact and narrated tale is, as usual, hazy.
