Lemmon Answers [en5kpydx2eno]

Beginning Logic E.J.LEMMON • ~ Van Nostrand Reinhold (UK) Co. Ltd . Preface ... a way a detailed answer to this question; but for the moment we may say that his most useful device is the adoption of a special symbolism, a logical notation, for the use of which exact rules can ...

Beginning Logic

The provided answers to select exercises from the book can help further show how the rules being considered can be implemented. The supplemental material also has handy insights. Lemmon's book is fairly accessible but every little bit helps when it comes to logic. The writing is clear and concise, and jives well with Lemmon's book.

Amazon.com: Companion To Lemmon's Beginning Logic ...

This brief volume supplements Lemmon's classic introductory logic text with almost 200 new exercises, many of them solved, solutions to selected exercises in Beginning Logic itself, a helpful commentary on Lemmon's use of key technical terms, alternative formulations, and advice to students.
