Solutions to The Practice of Statistics for the AP Exam ...

Actively solving practice problems is essential for learning probability. Strategic practice problems are organized by concept, to test and reinforce understanding of that concept. Homework problems usually do not say which concepts are involved, and often require combining several concepts.Each of the Strategic Practice documents here contains a set of strategic practice problems, solutions ...

Strategic Practice and Homework Problems | Statistics 110 ...

Descriptive statistics are procedures used to summarize, organize, and make sense of a set of scores or observations. Descriptive statistics are typically presented graphically, in tabular form (in tables), or as summary statistics (single values). Data (plural) are measurements or observations that are typically numeric.
