Bedbugs Ben H Winters

" Bedbugs infest the life of a young couple who move into a peculiar brownstone in Brooklyn in Ben H. Winter's diabolical tale of paranoia and domestic unrest."— Vanity Fair Hot Type "I would not recommend reading Bedbugs in bed; it's that gripping—and grotesque...

Amazon.com: Bedbugs: A Novel of Infestation (9781594745232 ...

Bedbugs was one of those. Like I just said, I had never heard of Bedbugs or even it's author, Ben H. Winters. And I would have never had the fortune of reading it if it hadn't come up under one of those ubiquitous "best horror novels" lists that seem to pop up everywhere online.

Bedbugs by Ben H. Winters

"Bedbugs infest the life of a young couple who move into a peculiar brownstone in Brooklyn in Ben H. Winter's diabolical tale of paranoia and domestic unrest."—Vanity Fair Hot Type "I would not recommend reading Bedbugs in bed; it's that gripping—and grotesque. . . This creepy story is expertly told, and will having you scratching imaginary itches long after you finish reading."—

Bedbugs by Ben H. Winters, Paperback | Barnes & Noble®

Which is why it's so pleasing to imagine the things still wandering around in the world, occasionally being encountered, so other people can get excited about them—even if only temporarily, for the two hours it takes to watch or the two weeks it takes to read. I don't have to be obsessed with them, once they're done.I can be obsessed with the next thing, until it's done.

Bedbugs | Ben H. Winters

Bedbugs by Ben H. Winters (2011-09-06): Ben H. Winters ...

The creepiness factor for Ben H. Winters' Bedbugs starts to climb before his evocative prose even begins. Holding the book in one hand while turning pages with the other, I experienced a sudden involuntary pause at the sight of black speckling along the book's spine and a slight frisson of disgust at the realisation that the ragged edges around a scattering of larger dots were legs.

"Bedbugs" by Ben H. Winters | PENNY CANDY BOOK REVIEWS

It's very clear that Ben H. Winters' Bedbugs pays homage to a number of horror tropes and classics - there's the nefarious elderly busybody neighbor reminiscent of Rosemary's Baby, the blurred line between the supernatural and insanity a la The House on Haunted Hill or The Turn of the Screw. Of course, the unique twist for this novel is the terror that bedbugs inspire - the mere mention of the vermin is enough to send one into paroxysms of feverish itching.

Halloween Week Book Review: Bedbugs by Ben H. Winters

Winters was born in Maryland. In high school, he played in the punk band Corm, alongside John Davis, now of Title Tracks. In 1998, he graduated from Washington University in St. Louis, Missouri, where he was active in the comedy group Mama's Pot Roast.

Ben H. Winters - Wikipedia

This is a major part of Ben H. Winters' latest novel BEDBUGS. Susan and Alex Wendt have lucked into a wonderful apartment. Though Alex was originally dubious about the Craigslist ad that attracted Susan's attention, it turned out to be a fabulous deal—at least on the surface. The apartment has a few small issues.

BEDBUGS by Ben H. Winters [Review] | Book Equals

Ben H. Winters, author of "Sense and Sensibility and Sea Monsters" (or co-author with Jane Austen, but I digress), has struck out on his own with the psychological, supernatural thriller "Bedbugs," a B-movie-inspired venture with all of the spine-chillingness of "...and Sea Monsters" and none of the literary merit or character appeal of "Sense and Sensibility."

Fiction Review: "Bedbugs" by Ben H. Winters | Newcity Lit

it's a collectible advance reading copy (arc)/ uncorrected proof in very good condition. it appears to be unread without spine creasing. the cover shows light rubbing with slight edge wear. uncorrected proofs are published in very limited quantities.

Bedbugs by Ben H Winters * Advance Reader ARC * 1st ...

Bedbugs is by Ben H. Winters, who I came to by way of The Last Policeman series. That series – about a policeman who continues to investigate cases despite the impending end of the world – was haunting and wonderful, a strange paean to staying true to your ideals in the face of a hopeless world.

Bedbugs, by Ben H. Winters / *** | Umney's Alley**

Check out this great listen on Audible.com. FOR RENT: Top two floors of beautifully renovated brownstone, 1300 sq. ft., 2BR 2BA, eat-in kitchen, one block to parks and playgrounds. No broker's fee.
