Black Man Emerging Facing The

In Black Man Emerging, psychology professors James H. Cones III and Joseph L. White outline the evils that befall black men in modern society (drug addiction, gang violence, apathy, and limited educational and economic opportunities) and help contribute to those stereotypes. But they also detail another image of the African American male, honoring his triumph over slavery, Jim Crow, segregation, police brutality, and miseducation.

Black Man Emerging: Facing the Past and Seizing a Future ...

Black men will have to face up to their responsibility for the Black-on-Black crime and violence in the inner cities, teen pregnancies, paternal absence, and family deterioration. A more detailed discussion of the call for biracial dialogue is presented in the final chapter of this book.

Joseph White - IResearchNet

Every time these terrible, racially inspired crimes are committed against a black man on our streets here in the United States, I am reminded that this society is failing black men for many reasons. What is happening to black men in the United States is a continuation of the racial violence of the past going back to the time of slavery.
