Hugh Nibley began serious research on One Eternal Round as
early as 1988. When Nibley's long-time colleague Michael D.
Rhodes took over the project following Nibley's death in 2005, he

One Eternal Round, which was just issued in time for the one hundredth anniversary of his birth, marks the 19th and final volume in the series. (I'll be honest and say that I've ignored all but the Approaching Zion volume in the CWHN series, since I had already read most of the material in their original editions.)

One Eternal Round is not recreational reading, but it is a Nibley-style overwhelming presentation of a plethora of evidence in support of the authenticity of the Book of Abraham and its facsimiles. In this 19th and concluding volume of The Collected Works of Hugh Nibley, Nibley and Rhodes guide readers to penetrating asides into Egyptian pharaohs; medieval Jewish and Islamic traditions about Abraham; Greek, Egyptian, and

I came to One Eternal Round after having read all of Nibley's other books, and several Rhodes essays. The book has been a long time coming, and for me, it was worth the wait. Rhodes provides an informative and touching introduction on the history of the manuscripts, and his decision to complete the volume. His own preparation is remarkable.
