Blockchain Basics A Non Technical Introduction In 25 Steps ...

"Blockchain Basics" is different because
it not only fills the gap between purely
technical books and purely business-
focused books but also teaches all
concepts and principles of blockchain in
a non-technical fashion. It does so by
utilizing a didactic concept that is based
on pictorial explanations, analogies, and
metaphors.

Read Book Blockchain Basics A Nontechnical Introduction In 25 Steps

Blockchain Basics

This was an amazing non-technical introduction to Blockchain. I have a very good understanding of the underlying technology of Bitcoin, Ripple etc. In order to manage expectations: I'm from a technical background and found this an easy read. People who are not technical may struggle a bit more with some of the concepts.
