If you're paperless, that's no problem either. Just type out your plans on a digital planner or calendar. Typically, I use Google calendar for all of my scheduling needs. It works great. Also, since I forget easily, I get reminders emailed to me. It's a super helpful feature. 2. Use your syllabus to plan your semester. This is key.

How to plan your semester: a study strategy that saves you ...

The first few weeks of the semester felt so long — I remember thinking that we had so much time ahead of us until the holiday break. Now I don't know where that time went. Living on campus this semester in the midst of a pandemic has altered my expectations for my first semester of college, but looking back, it wasn't that bad.

Before blueprints evolved into their modern form, look and purpose, drawings from the medieval times appear to be their earliest formations. The Plan of St. Gall, is one of the oldest known surviving architectural plans. Some historians consider this 9th century drawing as the very beginning of the history of blueprints.
