I had a problem with the car in March 2019; BMW SE 325D. I heard a 'clunk' sound in car whilst driving out of driveway at 5 mph; assumed alternator issue as battery light immediately came on. Brought the car to my local service garage in Ireland. The idler pulley under the alterantor belt had sheered off and was sitting in the engine bay.

### BMW 二手车服务 (二手车)

The best customer service I have experienced, the salesman was very helpful enabling me to test drive the car in minutes and I brought it on the day and collected after a new set of tires had been put on the car as well as various other maintenance such as servicing had been taken out. Overall a very clean car lot and business.
