A Boeing 777-300ER ordered by Cathay Pacific with customer code 67 would be designated as Boeing 777-367(ER). The codes do not change if the aircraft is subsequently sold, although in some cases if an airline cancelled or sold their order before Boeing had delivered the airframe the customer code would be changed to that of the new purchaser.

List of Boeing customer codes - Wikipedia

Boeing training programs. These new training programs are available at subsidiary Altheon's global network of 787 training locations. In much the same way that training moved from viewfoils on the 747, 757, and 767 to electronic training for the next-generation 737 and the 777, the training system and new simulation devices
