British Seagull Outboard Motors

The British Seagull® was a British manufacturer of two-stroke outboard engines in Poole, Dorset from the early 1930s until the mid-1990s. Although their "Classic" engines were for decades an exemplar of rugged simplicity and reliability, the company eventually failed when customer tastes changed and as tighter emissions regulations took effect.

British Seagull - Wikipedia

British Seagull Outboard Spare Parts. To order parts for your engine please contact us by telephone, fax, email or letter. Please remember to always quote your complete engine number; this can usually be found on the crankcase just above the drive shaft casing tube and should consist of letters and numbers.
