In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Building A Strip Canoe Second

BUILDING A STRIP CANOE, by Gil Gilpatrick, is a revised edition that guides readers on building a canoe for any type of water. The author has built more than 500 canoes in his 30 years of teaching, while serving as an Allagash River master guide. Gilpatrick has field-tested countless canoes and made modifications to their designs.
