Business Memorandum Example June 2014

Business memorandum or memoranda — also called memo or memos — are specially formatted written communications within your business. A memo's format is typically informal (but still all-business) and public. Memos typically make announcements, discuss procedures, report on company activities, and disseminate employee information. If you have something confidential to communicate, don't do it in a memo.

Memos - Office.com

A memorandum of understanding or MOU takes place between two or more parties, and is often used as an agreement to officially build or establish a business partnership. Unlike the agreements and contract, a memorandum of understanding is not legally binding but it is a very serious document that carries a degree of mutual respect that is stronger than that of a gentlemen's agreement.
