British Military Spectacle : From the Napoleonic Wars ...

As Myerly makes clear, however, there was considerable method to the costly madness of making fashion plates of prospective combatants. By way of example, he documents how sartorial splendor proved an inducement for recruiters, fostered esprit de corps in times of peace and war, and helped intimidate rebellious mobs when army units were called upon to restore order on the home front.

British Military Spectacle by Myerly, Scott Hughes - Amazon.ae

It is good to see American publishers backing research into facets of British history which our own publishers are eager to neglect. " —E.S. Turner, London Review of Books " Myerly explores very effectively the psychological impact of military dress on both soldiers and civilians. His probing into the various meanings behind the sartorial finery, and its presentation in public as 'spectacle', reveals a complex picture in which the context of the presentation is all important...
