Where it succeeds for many dominants and their submissives is in how it gives one complete sexual control over the other. The chastity cage is designed to completely cut off the individual from being able to touch their penis. However, while the chastity device is fairly straightforward, you shouldn't buy just any particular one.

Chastity works best when it is both a carrot and a stick. By making sure there is a release date on the horizon, less experienced chastised men will have less trouble accepting their condition. Of course, it is absolutely vital in this type of arrangement that your man knows that serious infractions or behavior that greatly displeases you will ...

Wife Rides Chastity Caged Cuckold, Free Porn 62: xHamster

With the cage on all I can think about is how badly I want him to impregnate her and fully make me a cuck. Only he has been allowed to cum inside her for months now, and she's been joking (I think) about removing her IUD, to tease me because she knows how badly I want it.

I feel complete with the cage on : ChastityCuckolding

Complete Caging Of Your Genitals The first device that we are discussing encases your penis completely, leaving no scope for even air to pass through. You must take care that if you plan to buy one of these, there must be a screwable cap or lid on top of it. This will ease the task of urination and won't mess up things too bad.
