Analysis Period Versus Required Service Period Analysis/Study Period • The time span over which the economic effects of an investment will be evaluated (study period or planning horizon) Required Service Period • The time span over which the service of equipment (or investment) will be needed Contemporary Engineering Economics, 6th edition ...

13-ISE 2040-Chpt 5-3 - Comparing Mutually Exclusive ...

Independent vs Mutually Exclusive Investment Projects Two projects are said to be independent if the decision to accept/reject one, does not effect the decision to accept/reject another. Assuming "availability of funds" is not an issue. If the selection of one project automatically requires the rejection of the another project, those two projects are said to be mutually exclusive.
