Greater Seattle has had a Chinese American community almost since its founding in 1851. Chinese workers arriving in the 1860s were welcomed, because the Seattle area was sparsely settled and workers were needed; within a few decades, however, newly arrived white settlers resented the Chinese workers, and there were several anti-Chinese riots as the whites attempted to expel the Chinese from the area. Chinese settlement persisted, with the immigrants settling in a well-defined Chinatown where the

History of Chinese Americans in Seattle - Wikipedia

He soon transcended his small-town New England prejudices against Chinese "idolatry," learned the Chinese language, and wrote a widely used history of the United States in Chinese. He founded the English-language journal The Chinese Repository in 1832, and it served as the chief source of information on Chinese culture and politics .

China-United States relations - Wikipedia

In the 1850 s, Chinese workers migrated to the United States, first to work in the gold mines, but also to take agricultural jobs, and factory work, especially in the garment industry. Chinese immigrants were particularly instrumental in building railroads in the American west, and as Chinese laborers grew successful in the United States, a number of them became entrepreneurs in their own right.
