### Chinese Ceramics

Chinese ceramics range from construction materials such as bricks and tiles, to hand-built pottery vessels fired in bonfires or kilns, to the sophisticated Chinese porcelainwares made for the imperial court and for export. Porcelain was a Chinese inventionand is so identified with China that it is still called "china" in everyday English usage.

### Chinese ceramics - Wikipedia

Chinese ceramic ware is an art form that has been developing since the neolithic period. There are two primary categories of Chinese ceramics, low-temperature-fired pottery or tǎo (陶, about 950–1200 °C) and high-temperature-fired porcelain or cǐ (瓷, about 1250–1400 °C). The history of Chinese ceramics began some eight thousand years ago with the crafting of hand-molded earthenware vessels.

Pottery was valued in the Far East as elsewhere for its utility and relative affordability. Early on, however, the Chinese developed a heightened sense of aesthetic appreciation for ceramics that promoted the sensitivity to material, technical sophistication and stylistic range that define the classic wares of the Neolithic cultures, Bronze Age, T'ang (618-906), Sung, and Ch'in dynasties.

### Guide to Chinese Ceramics - The Art of Asia

Chinese pottery, also called Chinese ceramics, objects made of clay and hardened by heat: earthenware, stoneware, and porcelain, particularly those made in China. Nowhere in the world has pottery assumed such importance as in China, and the influence of Chinese porcelain on later European pottery has been profound.

### Chinese pottery | Britannica

Though there is much dispute over the origins of porcelain, traces of ceramic ware have been found that date back to 17,000 or 18,000 years ago in Southern China, an age that makes it among some of oldest ceramic vestiges found in the world. These old traces display evidence of pottery being created in the crudest and most basic of fashions, so that the finished product can be used as some archaic form.

### A Brief History Of The Origins Of Chinese Pottery

Appraisals of Chinese porcelain cannot be handled just by ANY antique appraiser. Only an appraiser specialized on Chinese ceramics will do! Make sure that you find a professional appropriate for "Chinese ceramics", not just any ceramics; even if there is a specialist in Asian ceramics, it is recommended to make sure that the emphasis or ...
