Setup and Use of the Cisco UCS Platform Emulator | vMiss.net

Cisco UCS B-Series Blade Servers are a popular server choice. A typical UCS configuration includes a Fabric Interconnect (FI) with two separate fabrics, and there are some important considerations for configuring Tintri VMstore storage systems in the UCS environment. This guide describes the Tintri best practices for a UCS environment with VMware.

Cisco UCS Deployment and Best Practice Guide

UCS AAA setup Well, I've been working on this off and on for a few months (yikes) now, and we are still using local authentication for UCS rather than tacacs. I am attaching a few screenshots of how things are set up that I believe encompasses everything, but am more than willing to provide more info if needed.
