New: Start a conversation over video chat with "Hi" Hello is our game about living and dying and what matters most. It's designed to be played in person, but because so many of us are unable to gather in person these days, we've released a free short version of Hello called "Hi" with instructions adapted for play over video chat.

Common Practice

Be present in the conversation. Listen to what the other person is saying rather than think solely about what you are going to say next or cast judgment. Look at the other person when they are talking, put aside distractions (shut off the computer, turn off your phone, shut the door). Be confident, but not arrogant.
