Talk with a family member or close friend about your grief. Talking about it will help you resolve your grief much quicker. > Take care of yourself. Get enough rest and eat regularly. If you are irritable from lack of sleep or if you are not eating regularly, you will have less energy to cope. > Make daily decisions. This will give you a feeling of control over your life. Know your limits.

A Practical Guide to Coping With Grief

The pain of grief can also disrupt your physical health, making it difficult to sleep, eat, or even think straight. These are normal reactions to loss—and the more significant the loss, the more intense your grief will be. Coping with the loss of someone or something you love is one of life's biggest challenges.
