Editions of Counselling Skills and Theory by Margaret Hough
The third key element of person-centered counselling is unconditional positive regard, including prizes. This means the counselor accepts the clients unconditionally and non-judgementally. Within the framework of the person-centered approach to counseling, the client is given the knowledge of the power and tools they already possess to take responsibility for their own lives and health .

Basic Counselling Skills explained [PDF Download ...
Perhaps the three main approaches are psychodynamic, humanistic and behavioural. Each of these has a different theory and ideas underpinning it, and the therapists and counsellors using each will approach problems and issues in different ways. These three main approaches each support a number of individual therapies.
