### David Kilcullen

David Kilcullen\* Counterinsurgency is fashionable again: more has been written on it in the last four years than in the last four decades. As William Rosenau of RAND recently observed, insurgency and counterinsurgency...have enjoyed a level of military, academic, and journalistic notice unseen since the mid-1960s.

### Counterinsurgency Redux - Small Wars Journal

In Counterinsurgency, Kilcullen reinforces this sophisticated argument by stating categorically,

"Even if we are killing the insurgents effectively, if our approach also frightens and harms the local population, or makes people feel unsafe, then there is next-to-no chance that we will gain their support.
