What is Washi Tape? - SheKnows

Washi tape feels like masking tape, and like masking tape, it can easily be removed. That being said, it is like masking tape, if you adhere it to paper, you may be able to remove it, but you will have to work at it and do it slowly; however, if you use it on glass, metal or plastic, it will come off easier.

Washi Tape Crafts - Celebrate & Decorate

I love washi tape. As you will see below, I have many, many rolls of it in a rainbow of colors and all the patterns you could imagine. I usually pick up at least one new tube of tapes every time I'm in the craft store. I keep it all in a cardboard box (with the Amazon smile on the side), and it makes me smile every time I see it. My box o' washi tape inspired this craft.
