rich and powerful social elites, with resulting policies aimed at controlling the poor. The criminal justice establishment aims at imposing standards of morality and good behavior created by the powerful on the whole of society.

Criminology Theories: The Varied Reasons Why People Commit ...

Access Free Criminal Justice Theory Explaining

Criminal justice is essentially the application of criminology. While criminology is the study of crime, criminal justice describes the societal response to crime. The criminal justice system is comprised of multiple components that enforce laws, investigate crimes, try and punish criminals, and rehabilitate those who are convicted.
