Daihatsu Charade 1 Litre Engine

With the "turbo factor" increased to 1.7, the one-litre Charade was forced into the same category as the 2.0-litre cars. The best result was in the 1993 Safari Rally , where Charade GTxx models finished fifth, sixth, and seventh overall.

Daihatsu Charade - Wikipedia

There is only one engine option available - a 1.0-litre (58bhp) petrol. The unit is available with either a five-speed manual or four-speed automatic transmission. There are two trim level indicators: EL (base) three-door or five-door and SL (top) five-door only.

Car Reviews: Daihatsu Charade 1.0-litre EL - The AA

They have cast iron engine blocks and aluminum cylinder heads, and are of either SOHC or DOHC design, with belt driven heads. The engine first appeared in the all-new Daihatsu Charade in October 1977, in "CB20" form. Most common is the 1-liter CB, which was also available as the diesel CL.

Daihatsu C-series engine - Wikipedia

1987 Daihatsu Charade GT-ti: The Charade GT-ti is a road car from Daihatsu, with front wheel drive, a front mounted engine and a 3 door hatchback body style. It is powered by a turbocharged engine of 1 litre capacity. This unit features double overhead camshaft valve gear, 3 cylinder layout, and 4 valves per cylinder. It produces 99 bhp (100 PS/74 kW) of power at 6500 rpm, and maximum torque ...

The 1.0 engine was only available in limited markets. The sporty Charade GTi got a 124-hp 1.6-liter inline four-cylinder engine. The traditional Charade, however, went out of production after the 2000 model year. It was replaced in the subcompact/supermini, bigger Kei car market by the more contemporary Daihatsu Storia (also known as the Sirion).

Reflecting the origami styling trend of its era, the second generation Charade was bigger, roomier and more refined. It was available in many trims including CS, CF, CX and featured several variations of the 3-cylinder 1.0L engine, including a turbocharged version with 68hp and a Diesel version too.

Daihatsu Charade- The Most Successful Hatchback Of Its Era ...

They only made 2 cars for the US market, a Charade with a 1.0 liter engine and the small SUV Rocky with a 1.3 liter engine. The Daihatsu was competing in a tough market against automakers like Honda, Nissan and Mitsubishi. The good news is that the free self-service used motor locator at ASAP Motors is a great start as you begin your search. Find a Used Daihatsu Engine for Sale Online

Used Daihatsu Engines - Locate the motor you need at ASAP ...

Daihatsu actually had bigger plans for the US market. They designed a larger car called the Applause (another horrible name!) specifically with US market in mind. The Applause was based on the Corolla platform (and Toyota's 1.6 liter engine) and featured a 3 box sedan profile but with a liftback body.
