This volume brings together seven experts--judges, lawyers, prosecutors, and philosophers--to debate the death penalty in a spirit of open inquiry and civil discussion. Here, as the contributors present their reasons for or against capital punishment, the multiple facets of the issue are revealed in clear and thought-provoking detail.

"The Death Penalty Is an Effective Deterrent"  
This is probably the most common argument in favor of capital punishment, and there's actually some evidence that the death penalty may be a deterrent to homicide, but it's a very expensive deterrent.

The anti-death penalty movement began to pick up pace in the 1830s and many Americans called for abolition of the death penalty. Anti-death penalty sentiment rose as a result of the Jacksonian era, which condemned gallows and advocated for better treatment of orphans, criminals, poor people, and the mentally ill.

One main point in the

# Read Online Debating The Death Penalty

death penalty debate is that capital punishment disproportionately punishes minorities and poor people because these are the people most likely to be sentenced to death. People in favor of the death penalty often deflect this criticism by talking about the issue in terms of cultures of violence rather than in terms of race.
