A new concrete driveway costs between \$1,800 and \$6,000. Expect to pay \$4,000 to \$10,000 for the price of a brick-paved driveway. Stone pavers can take that range up to \$20,000 for a typical driveway of 400 to 700 square feet.. Stones can hold four times more weight than concrete. That adds to their curb appeal in making this the preferred option if you can afford it.
