AllMusic Review by Stephen Thomas Erlewine [+] It's likely that critics and listeners will consider Counting Crows' long-delayed third album, This Desert Life, another retro effort by a traditionalist band, but it's actually their most individual and finest album yet. All the familiar elements are in place, from Adam Duritz's impassioned vocals and cryptic lyrics to the jangling instrumentation, but the laments gel better than ever before.

Respecting the desert also means respecting the animals that also need to eat. Rose says her practice is to wait until the animals have had their fill. "There is an herbalist idea that you should only harvest 10 percent of what's out there ... but if everyone harvests 10 percent, then there's none left," she says.
