Matthew Hart, former mining editor of the Rapaport Diamond Report, opens "Diamond: A Journey to the Heart of an Obsession" with the journey of a spectacular 81-carat pink diamond, from the "garimpeiros" who plucked it from Brazil's Abaete River in 1999 until its disappearance into the hands of a private collector.

### Diamond: A Journey to the Heart of an Obsession: Hart ...

In Diamond, Matthew Hart embarks on a journey into an obsessive, largely hidden, and utterly fascinating world. The geology of diamonds explains how hard it is to find them. Diamonds are accidents of nature, carbon crystals compressed deep underground billions of years ago; parts of them, it is even thought, may predate the Earth itself.
