Diaspora Criticism Literary Theory. In attempting to set itself up as 'a genre of theoretical writing' (Frow, 1997, 15), diaspora criticism takes as its object a thing called 'diaspora'. The viability of the critical genre, it follows, rests on defining and delimiting the object of its inquiry. This act of positing a new critical site through the inscribing of parameters is, paradoxically, at odds with the site-violating implications of its primary signifier or object, since diaspeir ...

Diasporic living stops short of assimilation because the community still maintains its distinctive identity and its status as a minority people. The diasporic book of Daniel, for example, celebrates Daniel's refusal to assimilate to the pressures of the gentile court—such as his refusal to eat the nonkosher food at the king's table. The book of Esther could also be described as diaspora literature, regardless of where it was written, because it reflects on what it means to be a Jew ...

DIASPORA | Literary Theory and Criticism

A diaspora is a scattered population whose origin lies in a separate geographic locale. Historically, the word diaspora was used to refer to the involuntary mass dispersion of a population from its indigenous territories, in particular the dispersion of Jews. This has since changed, and today there is no set definition of the term because its modern meaning has evolved over time. Some notable diasporas are the African diaspora which primarily includes the descendants of the Africans who were tra

This ethno-political/spatial turn in the study of diasporas makes the translation of socio-political identity (to the international community, to home, to their newer generations and to the host community) a central focus for the study of diasporas (Demir 2015). Such spaces and ties can be seen as ‘too limiting’, as an ‘extension of the nation-state model’ (Soysal 2000:3).

Diaspora - GLOBAL SOCIAL THEORY

Introduction. The Chinese diaspora is an interdisciplinary research topic par excellence. Located at the intersection of the humanities and social sciences, it encompasses disciplines as diverse as geography, sociology, history, anthropology, psychology, and political science. In addition, scholarship on the topic is characterized by changing configurations and approaches that are reflected in terminological debates.

The Chinese Diaspora - Chinese Studies - Oxford Bibliographies

The idea of diasporic-Canadian literature is something of an oxymoron: diasporic literature often demonstrates the instability of national categories, and scholars who use diaspora as a critical lens are often trying to demonstrate how the nation-state is something of a self-defeating or unstable basis for collective identity.
