This is a bad play with an extremely provocative treatment of a political subject, for sure in Marlowe's time and even today. The king in question is a very strange character. For one he was an authoritarian king who was not able to cope with the Scottish rebellion and Robert the Bruce who defeated him in Bannockburn in 1314.

Christopher Marlow was, of course, one of Shakespeare's rivals, and a worthy one at that. Edward II is just as good as Shakespeare's finer histories, and clearly better than some of his worst. My instant obsession with this play is likely a result of Marlowe's uninhibited lines expressing same-sex romance.
