Family Law (Aspen Casebook Series) 5th Edition

Family Law and Practice prepares students to enter the workplace with a firm grasp of family law and procedural components of family law practice. To meet this challenge, the authors have divided the 5th edition into two parts: the first introducing the principles of family law and the second translating theory into practice.

The Family Law Handbook [2.30] Much has changed in recent years to the millennia-old institutions of marriage and family, at least in terms of Western culture. There has, of course, been disagreement as well as agreement on the need for change. In 2004, the Marriage Act was amended to define marriage as “the union of a man and a
