VSLA training guides - VSLA

Proper selection and training of the Field Training Officer (FTO) is paramount to the success of the FTP, and similarly important in the Police Training Officer program. This training should include enhancement of interpersonal and communication skills as well as differential learning techniques.

Best Practices Guide

One of the most stressful assignments you can have in a career is that of being a freshly graduated Field Training Officer (FTO) and about to embark with your first recruit.

Advice to a New FTO | Officer

Field training takes up where the classroom leaves off. The field training experience is also used to see if a new recruit can function effectively as a police officer. Ideally, field training serves as a continuation of the selection process in addition to its training functions.

Field Training for Police Officers: The State of the Art

The Police Officer Field Training Manual (FTM) is issued to every new certifiable police officer. The field training manual is designed to provide law enforcement agencies an additional essential element of the officer's training program once the new officer has completed the Basic Police Course. Completion of the manual will reinforce and
