Michael Freeman: Fifty Paths to Creative Photography

The 50 paths are really 50 chapters and in many ways the book reminds me of my favorite photo book, "Discover Yourself Through Photography," in which lessons are assigned by the author and designed to be followed through by the reader and I think that's a great way to approach Freeman's book as well. The author kicks it all with Path #1: There Are No Rules, in which he autopsies all the sacred cows of photography beginning with the 'Rule of Thirds,' why you should ignore it and ...
