There are many different skills involved in the game of Gaelic Football. The skills can be broadly broken down into those that involve Gaining Possession, Maintaining Possession, Releasing Possession and Contesting Possession. Many of these skills can be performed on the ground, without the need to get the ball into the hand and out of the hand.

### **Football Skills | GAA DOES**

There are many different skills required to succeed in football, from quick feet to upper body strength. The skills that a player must have are largely dependent on what position he plays. Also, as a player gets to higher levels he must be stronger and have better technique, as there is little room for error.
