Ford 9N Engine Rebuild Kits - Yesterday's Tractors

Restoration complete in February 1999 The task at hand began small and simple enough - the 9N Ford-Ferguson governor would not kick in and it needed overhauling. Well, that project proceeded just fine. While I was at it, I decided I might as well overhaul the carburetor, and replace the axle pivot, and rebuild the generator, and....

Yesterday's Tractors - The Ford 9N Engine Rebuild Chronicle

For example, on the last 9n I rebuilt I replaced 1 valve spring as it did not measure the minimum compression reading at a defined height. The remaining 7 passed so I re-used them. The more you know about the condition of the motor before tearing it apart the more likely you are to spot defective/worn parts and be successful in your overhaul.
