Ford Explorer Service Engine Soon

Your Ford Explorer's service engine soon light is there to let you know that some sort of problem has been detected with the vehicle. Any vehicles made in 1996 or newer use OBDII codes, which can easily be retrieved from a good code scanner. A flashing service engine soon light is telling you that something needs immediate attention.

Ford Explorer: Service Engine Soon Light → Diagnosis ...

Ford Check Engine Light (CEL), also known as service engine soon (SES) warning, will stay on if a problem has been detected by the On-Board Diagnostic System (OBD-II). Under normal operation, Ford check engine light will turn on when you turn on the ignition but should turn off and stay off once you start the engine.

Troubleshooting Ford Check Engine Light | YOU CANIC

When the Service Engine Soon light comes on, this is the on-board computer's way of telling you it sees a problem in one of the monitored systems. Unfortunately, there are literally 100's of parts and sensors monitored in various systems, and to take a "guess" as to which part/sensor in which system is faulty, is virtually impossible.

Ford Explorer: My service engine soon came on this morning,

A "service engine soon" (SES) light is an easy way for your Ford's onboard computer system to bring potential engine problems or failing parts to your attention. However, once you have had the repair completed, the light may not reset itself automatically. To turn the light off, you must perform a manual reset of your Ford's computer system.

How to Reset a Service Engine Light on a Ford | It Still Runs

Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a small problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems. Common causes of the Service engine soon light:
