Full-size Ford is the popular term for a long-running line of Ford vehicles in North America with a shared model lineage. Beginning in 1908 with the Model T, the line ended fifteen generations later in 2019 with the production of the final Ford Taurus as Ford withdrew sedans from the North American market. With the exception of the Taurus, all models of the lineage shared body-on-frame construction and rear-wheel drive; the Ford Crown Victoria was the last body-on-frame car in mass production at

Price: Full-size starts at \$33,790* mid-size starts at \$26,570*. The van we most highly recommend for heavy-duty work is the Mercedes Benz Sprinter. It might be on the expensive side, but you get a big loading capacity, good mileage, and loads of features with this diesel van. Keep in mid, maintenance costs can run high.
