Gatekeepers Dreamhouse Kings 3 Robert

“Gatekeepers”: Robert Liparulo’s cliffhanging third novel, which I staved off for a year, is excellent. His present choices waver from four stars. It is annoying to protractedly deny the King family fortunate breaks, then obliterate the solace that comes. However those instances were jubilant and momentous, meriting more than three stars.

Gatekeepers by Robert Liparulo
Reviewed by Jennifer Bogart "If you weren't a professed addict to the series before reading this third installment, you will be by book's end. Gatekeepers is the best in the series to date." The Dreamhouse Kings series is a difficult one to evaluate in pieces. Each installment in the series is a brief snapshot, a single puzzle piece in an overarching design that can't yet be glimpsed.

Dreamhouse Kings books 1-3 (House of Dark Shadows; Watcher

...

The Gatekeepers is the third book in the Dream House Kings Series. It is a connecting book, setting up the scene for more action in the next book. It was slower than the other books (including the subsequent books). I am enjoying the series much more than I thought I would because they are written for a YA audience. The action is exciting.

Robert Liparulo - Wikipedia

Gatekeepers is the key to understanding what is house is, what is does, and the nature of the portals on the mysterious third floor. We are introduced to Jesse and Keal, an old man and his ex-military nurse, who play an integral part in the story to come. Jesse, it seems, knows more about the house than anyone.

Gatekeepers - Robert Liparulo - Life Is Story

Dream house... or bad dream? When the Kings move from L.A. to a secluded small town, fifteen-year-old Xander is beyond disappointed. He and his friends loved to create amateur films, but the tiny town of Pinedale is the last place a movie buff and future filmmaker wants to land.
