Hand-held pregnancy notes. It's normal
now for mothers to carry their own
notes. Every time you visit your own GP,
midwife or the hospital you will be
required to bring your own notes with
you. It is advisable to carry your notes
with you at all times as it has been
known for women to experience
problems if they are outside Coventry
and need to be seen at a local Maternity
Unit.

The reason Mae Young gave birth to a hand : SquaredCircle

First hand is not an adjective phrase, but it does contain the adjective first. Any time you see this phrase in writing, it refers to the first in a series of hands . If a ninja chops off the right hand of all his foes, the first time he did so, that foe's hand would be the first hand he amputated.

FIRST OVER THERE is an absolutely
captivating account of America's entry
into WWI as the AEF fought the first
battle "over there" in Cantigny, France.
It is difficult to believe this is Matthew
Davenport's first book because it is so
brilliantly written!
