Grammar Workbook For The Toefl

This book is very helpful for Toefl test-taker to understand the rule of English grammar. The first thing you have to do with this book is to take the simulated test of Toefl grammar section. After it, you can check the point of grammar that you don't understand. But in TOEFL, it is *NOT* enough to understand grammar rule.

This is the first vocabulary and grammar book I've found that not only gives definitions, explanations, example sentences, and basic fill-in-the-blank exercises, but also includes exercises that mimic every part of the TOEFL. The grammar is also explicitly connected to the test. Why, for example, should you study reported speech? The book makes it clear: your first essay task on the TOEFL requires you to summarize a professor's lecture. Reporting speech is a core skill for an essay like that!
